

CRESTED BUTTE SOUTH PROPERTY OWNERS ASSOCIATION  
*Members working together for the betterment of our Community*

The Property Owners Association would like to invite you to get involved in your Community and are looking for volunteers to participate in several committees.

## Design Review Committee

Do you have an interest in the ongoing design development of CB South? If so, would you like to serve as an alternate on the Design Review Committee ('DRC')?

The DRC is a five (5) member Committee (with up to two alternates) established to review and act on plans for improvements on all lots, ensuring compliance with the Residential and Special Area Regulations. Decisions rendered at meetings where only three (3) members are present must be unanimous. Each member shall serve a two year term, and terms shall be staggered. The Committee meets once a month, based on project submittals, on the second to last Thursday of the month.

Interested in getting your creativity flowing? Reach out to Dom via email or phone.

## CBS Event Committee

ICE CREAM BREAKFAST \* MOVIES in the PARK \* ALPENGLOW \* FIRE & ICE \* MOONLIGHT SKI \* RMP POND TOURNEY...

**What else?** The POA would love help in facilitating social events and programs within CB South but we need you!

Members often share great suggestions for fun events or program offerings. So, we would like to recruit members to form a CBS COMMUNITY EVENT COMMITTEE! Since this is a new startup, particulars will develop as the committee evolves but time commitment would be flexible to include revolving participants in helping to facilitate 4 to 6 events throughout the year.

Interested folks please email Benita at [staff@cbsouth.net](mailto:staff@cbsouth.net).

## Governance Committee

Call for Governance Committee positions! Do you want to get involved and be a part of the conversation on how your community develops its Rules and Regulations? We are anticipating a Covenant Amendment in the next two years and are looking for Task Force members to begin to plan this important update. If you are interested in participating, have skills in strategic planning and enjoy working with a group of your neighbors, then you might have what it takes to accomplish this important initiative. Please contact Dom, [dom@cbsouth.net](mailto:dom@cbsouth.net), if you would like more information.
