

APPENDIX A (2016)

CRESTED BUTTE SOUTH METROPOLITAN DISTRICT

RATE SCHEDULE

- I. Issuance of Permit. If the application discloses that all work to be performed under the permit will be in full compliance with all statues, laws, resolutions and upon proof that the work to be performed has been approved by the Crested Butte South Property Owner's Association. The District shall issue the permit upon payment of all fees and charges required by this schedule.
- II. Tap Privilege Fee.
- A. A tap privilege fee must be paid prior to the issuance of the permit required above, prior to the commencement of the construction, prior to installation or expansion of use of a service line, and prior to connecting any service line to the District system.
 - B. The tap privilege fee for each EQR shall be \$14,000.00 for each District system connection.
 - C. Any Expansion or change in use of, or addition to, a building, structure, or piece of property already connected to a District system, which raises the EQR of that user, shall result in the obligation to pay an incremental system development fee, to be computed as follows:

Incremental system development fee = {(EQR) new – (EQR) old} times
\$14,000.00 for each District system connection.
- III. System Connection Fee. A system connection fee must be paid prior to the issuance of the permit required above, prior to the commencement of construction or installation of a service line, and prior to connecting any service line to a District system. The system connection fee shall be \$100.00 for water and \$100.00 for sewer. The system connection fee shall only be charged when a service line is connected to a District system.
- IV. Road Maintenance Fee. A road maintenance fee will be charged at a rate of \$10.00 per month for every "UNIT" that uses a Metro District road. A UNIT is defined as any structure that can be rented. For example: a single family home with a garage apartment would be 2 units, a duplex would be 2 units and so on. The fee will be charged regardless. Even if the unit is not being rented. A fee of \$5.00 per month, billed quarterly, will be charged to vacant lot owners within the District that use District roads.
- V. Service Rates. There is hereby levied and charged against all "owners", as that term has been previously defined, a monthly service charge for the use of the District system. The

monthly service charge for use of the District system – Water shall be \$31.80 times the respective EQR for each use. The monthly service charge for use of the District system – Sewer shall be \$35.51 times the respective EQR for each use. Monthly service charges shall commence six (6) months after the issuance of a tap privilege permit, or upon occupancy, whichever is first.

VI. Equivalent Residential Use Schedule. The following Equivalent Residential Use Units, or EQR'S, are hereby established for the various customer classifications within the District.

EQR or Equivalent ratio means a use which is estimated to have an impact upon the water or sewer system equal to that of the average dwelling unit.

Dwelling unit is one or more habitable rooms arranged, occupied, or intended or designed to be occupied with facilities for living, cooking, sleeping, eating, Bathing, and storage.
