Subdivision Amenities

Bus Service

Thanks to cooperative efforts between Mountain Express, Gunnison Valley RTA and CBSPOA, CB South has free regular bus service from Red Mountain Park to Crested Butte and Mt. Crested Butte! Find schedules at www.gunnisonvalleyrta.com and www.mtnexp.org by connecting to free public WiFi at the bus stop.

Groomed Nordic Trails

A valued relationship with Spann Ranches provides the opportunity for CBSPOA to groom more than five kilometers of Nordic trails for its residents to enjoy for free. Stop by the POA office to take advantage of waxing services before your next trek.

Red Mountain Park

At the center of the subdivision lies 12 acres for your favorite recreation activities. A tennis court, playground, basketball court, full-sized soccer field, baseball field, horseshoe pits, and Sunset Hall community room are all available for public use or for private parties. Go to www.cbsouth.net for more information.

Ice Skating Rinks

During the winter months, you can find two ice skating rinks in Red Mountain Park complete with night lighting. One rink is a NHL sized hockey rink that hosts various hockey leagues, and the other rink is designed for free skating without sticks or pucks.

Events and Programs

Come and enjoy a free Alpenglow music concert in the park, outdoor movie night, ice cream social, full-moon ski, and annual picnic. Take advantage of our annual Clean-Up day and free weed sprayer checkout program. Enroll in summer and winter recreation programs like soccer, tennis and ice skating lessons. Check out the year-round yoga and exercise classes, too!

Convenient and Commercial-Friendly

Grab a great cup of joe at Camp4Coffee, meet your friends for Happy Hour at Tully's, or grab a snack from the General Store, all without leaving the neighborhood! Tassinong Farms, CBS Fitness, Yoga for the Peaceful and Crested Butte Events, in addition to the Alpengardner, Little Red Schoolhouse, and CB Storage all make CB South Commercial district thrive!
